Star Wars: Battlefront 2 comes out on November 17th, 2017 on PS4 and Xbox One for \$59.99 USD. PC and PlayStation 4 owners can get the standard edition for \$44.99 USD. Star Wars: Battlefront 2 has a release date of December 20, 2017. Blizzard bans fan video of Overwatch brawl. Overwatch player Matt "Starn" Starnes claims he had footage of a match that he claims was taken before it was released to the public, but when he turned it over to Blizzard, the match was removed. This player had a clear shot of the match, but Blizzard has decided to ban it. A new zombie MMO, Max: The Curse of Brotherhood, is coming to PC and Xbox One. Max is a class-based game, which means you play as a knight, a witch, or a druid. You play through a series of levels where you fight other player-controlled characters, collecting items and fighting bosses. The game is also available for Android and iOS. Max is being developed by Tantalus Media and has no release date. The first-person shooter Life is Strange is coming to PC, PlayStation 4, and Xbox One. Life is Strange is a prequel to the 2013 hit Life is Strange: Before the Storm. In this game, you play as Max Caulfield, a 17-year-old girl who was in the car when it was attacked by some kind of demonic force. As a result, she now has the power to do magic, but she needs to use it wisely. In honor of Halloween, Corsair has released its take on an "end of the world" scenario. In the Elite Edition of its Black Series Spectre gaming mouse, the text in the grips is gone, and the model name is now shown as Spectre Elite. Call of Duty: WWII is coming to PC, PlayStation 4, and Xbox One on November 3rd. Call of Duty: WWII is the first game in the series to allow players to play on the PlayStation 4 Pro and Xbox One X, which can run at 4K, 60 frames per second. Story highlights "I don't think there's an easy answer to that," the president said "I don't think that there's an easy answer," the president said. "I think there's an answer, but I don't think there's an easy answer." (CNN) President Donald Trump said on Monday he's considering sending a tweet 82157476af
